

Service Overview

# Kindergarten Inclusion Service

## All People, All Places, All Spaces.

We collaborate with educators to help every child thrive—supporting a successful kindergarten year and smooth transitions into, through, and beyond kindergarten.

This fully-funded service is delivered by Autism Queensland (AQ) for approved kindergarten programs, proudly supported by the Queensland Government.

**FREE online and face-to-face statewide supports and resources**

Workshops  
& Webinars

Online  
Resource Hub

Educator  
Phoneline

Face-to-face  
Visits

Our team will provide educators with:

- Information and education about autism.
- Strategies to create inclusive learning environments for all children.
- Fast, on-demand access to information and resource through the online resource hub and educator phoneline.
- On the floor guidance, mentoring, and coaching.

**Autism Queensland is here to help—get in touch to learn more:**
